

MAKER FUN FACTORY VBS

Created by GOD – Built for a Purpose

Dear Families,

We're so glad that you've signed your child up for an exciting week at VBS. Bible lessons are more memorable with singing, dancing, crafts and new this year, Imagination Station.

Your child will begin each day at our Opening. This is held in the church. We will begin at 9 a.m. Please be one time so your child doesn't miss the KidVid Cinema experience. We will meet 5 kids who were created by God and built for a purpose just like each of us are.

After the daily Opening, students will rotate to different stations of singing/dancing. Crafts, and imagination Station. They will learn that God made them, God is for them, God is always with them, God will always love them, and that God made them for a reason.

Today's children are in the unique position to compare themselves to the entire world. Social media gives us all a mirror to which we compare ourselves, and it can feel like there's always someone who's better, prettier, smarter, more athletic, more adventurous, and just all-around more. We want the children to know God had intentionally, lovingly, carefully, crafted them as a one-of-a-kind creation of the most-high God.

"Thank you for making me so wonderfully complex" Psalm 139:14

MISSION PROJECT: A daily OFFERING will be collected during the Opening. The money collected this week will provide clean drinking water in Peru. They are the life-giving water, reaching children in Peru's most remote areas.
